NCMA
MSV
MANUFACTURED STONE VENEER

This certificate signifies that NCMA has been provided the necessary information to document compliance with the *NCMA Manufacture Stone Veneer Product Certification Program* for the listed product, produced by the listed company at the listed location. No warranties or guarantees about any products or manufacturers are included or implied in this program. By applying for this certification, the listed Company fully indemnifies, holds harmless and defends (collectively "indemnify" and "indemnification") the National Concrete Masonry Association and its members, directors, officers, and employees (collectively, "Indemnified Parties") from and against all claims, demands, actions, suits, damages, liabilities, losses, settlements, judgments, costs and expenses (including but not limited to reasonable attorney's fees and costs), whether or not involving a third party claim, which arise out of the *NCMA Manufactured Stone Veneer Product Certification Program*.
